Objective

Passionate Junior Full Stack Developer eager to apply my coding skills and problem-solving abilities to contribute to dynamic web development projects. Currently enrolled in a Full Stack Development Bootcamp at the University of Oregon, I have gained proficiency in HTML, CSS, JavaScript, Node.js, Express.js, SQL, NoSQL, React, and Progressive Web App (PWA) development.

Hinterland Bar and Carts, / General Manager

2021-05 - 2023-08, Portland, US

- Consulted on the establishment's design and layout, overseeing equipment procurement and vendor account setup.
- Implemented key systems, including accounting, POS, bar and service programs.
- Managed hiring, scheduling, HR, and payroll, handling all day-to-day operational tasks.
- Visit: www.hinterlandpdx.com

Masia / Assistant General Manager

2020-01 - 2020-12 Portland, US

- Orchestrated front-of-house systems setup, including POS and paperwork tracking.
- Assumed various roles, from bartending and barista to server and floor manager, during the pandemic.
- Unfortunately, the restaurant had to close due to the pandemic.

Mordax Systems/ Co-Founder/Operator

2015-01 - 2018-04, Vancouver, US

- Co-founded and operated a successful Modular Synthesizer company from inception.
- Managed all aspects, including tax and business setup, circuit design, code development, design work, and manufacturing coordination.
- Handled customer service, website design, and accounting.
- For more details, visit: www.mordax.net

Education
